

Overview

Who's it for?

Nurses and Midwives in England who have experience in research leadership in health or social care at a local and/or regional level

Duration

3 years

How does it work?

We pay your employer at an Agenda for Change Band 8b to second you to the programme for 2 days a week

Find out more and apply for the [NIHR Senior Research Leader Programme for Nurses and Midwives](#) and who is [eligible to apply](#) or check the [map](#) to see if there is an SRL leader in your region to discuss the programme with you.

If you have any questions about the programme please contact the team.

Dr Roxanne Crosby-Nwaobi
